

## Junior Warden- Terry Godoy

Brethren, I'm hoping you had a good Valentine's Day. Mine was productive between Tucson to Phoenix, Nogales, and California. My wife and I had a lousy Valentine's Day dinner at a truckstop. Speaking of dinners, I'm here to tell you that the last month and a half of dinners have been wonderful. I think everyone has been happy and the only complaint came from my assistant (the cook) saying, "We need more eaters!" Feel free to bring your wives, girlfriends, and enjoy a meal and fellowship with us. We'll always have plenty to eat. Dinners will be listed on the calendar but are not written in stone, all suggestions are welcome. Stay tuned for April's menu in the next Trestleboard. Hope to see you all for the dinners and meetings.

March Dinners:

3/6 Italian beef sandwiches, pasta salad, and dessert.

3/13 Corned beef and cabbage, vegetables, and dessert

3/20 Homemade ham and bean soup, plain or green chile quesadillas, and dessert

3/27 Meatloaf, potatoes, corn, salad, and dessert

## Secretary's Desk

Everyone expects from the Secretary something about dues, well here it is. Lodge dues are a primary source of income for this lodge. To all those Brothers who have paid their 2018 dues, I thank you. There are two who have not, please get them paid immediately. Dues are still \$106.00 for this year. You can either send them to me or bring them in, we would love to see you. Perpetual members are exempt from paying dues which includes Grand Lodge Per Capita, which the lodge pays for you being a member. However, if you pay just the Per Capita, it would greatly help your lodge.

Just a reminder that all cell phones must be silenced during meetings. Any cell phone that goes off while lodge is in session will be met with a \$20.00 fine. Please be courteous and silence your phone or it just might cost you. It cost me.

A Look Ahead

# Trestleboard

Vol. XLII No. 3

## Master's Voice

Brethren.

As we look past Rodeo Week, we have one of our other traditional fundraisers coming up: The yard sale on March 8th, 9th, and possibly the 10th. It is imperative that we have some of the younger brothers available to help unload and load the storage shed at the start and end of each day. That is the only way we will have a successful event. We should also all be on the lookout for other types of fundraising activities to help in the future. Without a healthy revenue stream (besides dues), this lodge is in danger of withering away. I am certain none of you wish that to happen, so put your thinking caps on and bring your ideas down to the lodge! Finally, don't forget about the Lodge Leadership Conference coming up at the end of March. The principal officers should consider going but it is open to any Master Mason and is very educational.

Fraternally,

Andrew Klos, WM

## Senior Warden

Editor's Note: In the absence of an elected officer's column, an alternate shall fill it.

This month's guest feature comes from the Yard Sale Chairman.

We will be having a yard sale at Nelson C. Bledsoe Lodge # 74. The dates are set for March 8<sup>th</sup>, 9<sup>th</sup>, and possibly the 10<sup>th</sup> depending on items available. Help is needed to carry stuff in and out of the storage container. Items will come out at 6am and go back in after 2pm. Please assist if you are available.

Thank you,

Bob Jenkins
